

# 7 tips to efficiently manage VAT and Customs after Brexit

This is an extra resource to go along with the webinar :  
**Beyond Brexit: How to efficiently manage VAT and Customs on the post-Brexit era**

## VAT

Check if you need a fiscal representative for VAT refund vs. Compliance.

## CUSTOMS

Check the type of representation of your Customs Agent.

## VAT

Check your supply chain of transactions and the Incoterms used in the trade EU/UK.

## CUSTOMS

Check the process of fulfilling import declarations in EU and UK.

## VAT

Both territories, EU and UK, allow system for deferment import VAT. Check their requirements.

## CUSTOMS

Check the classification of your products in the correct HS codes, and the record of their origin in the Custom declaration.

## VAT

Check the services provided to UK companies (by EU companies) in the frame of your business.
